www.fmmafco.com

Controlling costs is one facet of business that has become a specialty at F&M Mafco. We are able to offer reconditioned tools and equipment to our customers at a fraction of the original cost. All Recon items are remanufactured and come with our assurance and warranty of reliability. Next time you are trying to save dollars on your "tool up," ask your F&M Mafco sales professional what is available from Recon.

The F&M Mafco Recon system helps you maintain margin while adding reliability.
